BUD20S single-phase silent generator, 22 kVA

Single-phase generators - code ep-bud20s-single-phase-silent-generator-22-kva

Describe It to Your Customers

BUD20S single-phase silent generator, 22 kVA is stocked by a South African supplier on Musika, with delivery to your town in Zimbabwe, Zambia, Botswana, Namibia or elsewhere in Southern Africa. A single-phase generator is the first line of backup for a small business.Buying tip: Add up the loads you must keep running, choose a generator with headroom, and plan where it will stand and how it connects. The size or rating in the name (22 kVA) is the main specification to match to your need.Suited to small businesses and homes. Ask for a quote and you see the full landed cost for your town before paying; Musika holds the payment until delivery is confirmed.
